DeltaTech

WEB AND MOBILE APP DEVELOPMENT COMPANY

ABOUT US

Delta Tech is a Nepal based web and mobile apps development company, and is led by professionals who have come back to Nepal from various destinations after building expertise in the field of IT. Every website and mobile app that we create is designed and built in-house by our team of experienced designers and developers. Our main areas of expertise include designing corporate websites, providing e-commerce solutions, developing web and mobile applications. Having done numerous work in the above areas, we focus on delivering high quality IT services to our clients.

Client's Testimonial

The Developers, Designers and even the Sales Staff at Delta Tech are professional, responsive and have become an integral part of our own internal team and strategic business development. We have asked much of these talented folks and they consistently respond with high quality work within very tight timeframes. Great upbeat positive attitudes. A pleasure to work with. High level of trust and camaraderie.

Debra Draves (Co-founder)
- Looking For Care, USA

I would like to thank team at Delta Tech, who provided us the exact tool we need. They did things fast and were always available to answer my questions. The rapport was so good that Delta Tech actually uploaded my project faster than I could pay the last milestone.

Nick (Production Manager)
- Diligence Interiors, Canada

It was an absolute pleasure and delight working with the team of Delta Tech. The team is extremely professional and knowledgeable and ensure work delivery within the stipulated timelines and agreed cost. I would definitely recommend their services and look forward to working with them again.

Venkat Ramachandran
- Travelista, India

We requested them to deliver entire front end for our digital platform. Despite our ever changing schedule and demands, their operation kept up. They delivered on time and undertook all the tasks we requested from them.

Melih Kadioglu
- Chehobo , UK

Perfect company, excellent services and very professional! Highly recommended.
